

November 6, 2009

To whom it may concern:

The United States Fencing Association is the National Governing Body for the sport of Fencing in the United States. Our Association holds National and International level fencing tournaments around the United States. In February we are hosting the Junior Olympics National Championships in Memphis, TN. This tournament is a national tournament for high school and college age students and is used to select our World Championships team.

In order for this event to be successful for all the athletes we need many volunteers. Your support of this event will be greatly appreciated, especially by US Fencing. Please contact me if there is any further information you need regarding this athlete.

Sincerely,

Ashley Razo
Director of Events
US Fencing Association
